Am I DOING THIS RIGHT?

AS A NEW PARENT, IT'S NORMAL TO HAVE A LOT OF QUESTIONS.

Not all answers are equal, but luckily we've got answers you can trust.

Visit the website listed on the front of this guide for videos and articles on a variety of topics from **newborn and postpartum care to breastfeeding, infant safety and parenting.***

Please ASK QUESTIONS!

Be sure you know the answers to these common questions before you leave the hospital.

- **Are there any activities I should avoid?**
- **Who do I call in case of an emergency?**
- **When should I schedule a follow up visit?**
- **When should baby see the doctor?**
- **Who do I call if I have questions about breastfeeding?**

List your questions:

1. _____
2. _____
3. _____
4. _____
5. _____

*Not available in all hospitals
