Enhanced

Locations – When Service taxonomy terms are updated, they should be reflected in Locations effective keywords . (CMS-4415)

Added the ability for the service taxonomy terms to be reflected as effective keywords in locations. Whenever a change to the service taxonomy terms is made, they are automatically added to the locations effective keywords.

Event Emails – Send test emails with event occurrence details . (CMS-4416)

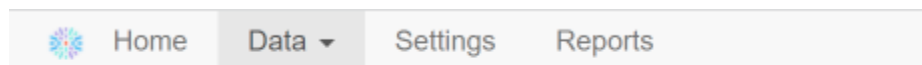

Added 'Send Test Email' button to Event Templates that allows the admin user to send test emails and the data populated in the email is from the event and first active event occurrence of the event except for registrant information which is mocked. When the event doesn't have any active occurrence, the occurrence data is also mocked.

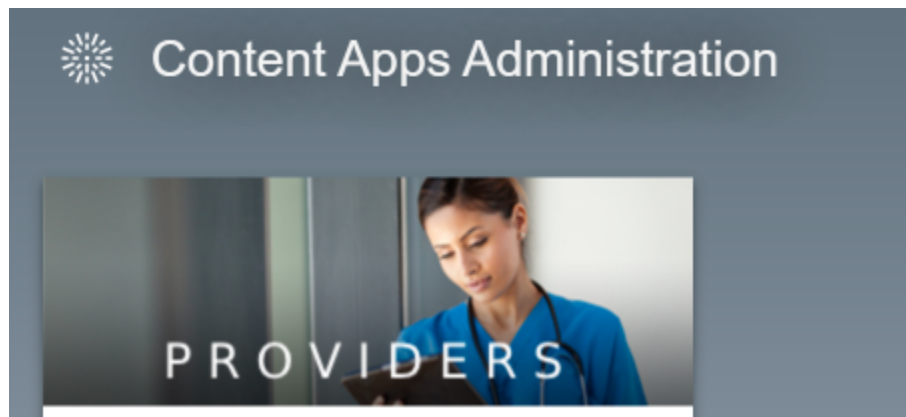

The screenshot displays the 'Email Templates' configuration page. It is divided into two main sections: 'Event Confirmation Template' and 'Event Reminder Template'. Each section contains a dropdown menu for 'Template Name' (currently set to '- Default -'), a text area for 'Description', a 'View Template' link, and a blue 'Send Test Email' button.

ContentApps – Logo is updated . (CMS-4423)

Main page and menu logos are updated to new WebMd Logos.

Fixed

Event Attachments – When uploading an attachment more than 50MB the system hangs up and doesn't respond. (CMS-4377)

When uploading large attachments, the system hangs up without giving an error. It shows the following error when uploading a file more than 50MB..

Attachment file size cannot be more than 50MB

Provider Specialties – Unable to add specialty to provider (CMS-4427)

When there are more than 1000 specialties, the user is not able to add a specialty that is past the 1000 count. This is fixed.

Provider Specialties – Specialties with a comma are outputting as separate list items in search results (CMS-4428)

When a speciality name contains a comma, they are being displayed as separate items in search results. This is fixed for the following entities.

Providers

- Languages
- Clinical Interests
- Specialties
- Insurances
