Please **ASK QUESTIONS!**

Speak up to stay healthy once you leave the hospital.

- Do I understand my discharge instructions? Are they written down?
- Can I eat what I usually do, or do I have a special diet?
- What activities should I avoid?
- Will I need medical equipment at home?
- How often should I check or change my bandages?
- What medicines should I take? Will they work with other medicine and vitamins that I am currently taking?
- Who do I call if I don't feel right?
- When should I see my doctor again?
- Who do I call in an emergency?
